

Resources for You and Your Child

The Leukemia & Lymphoma Society (LLS) has created a comprehensive set of materials for caregivers of pediatric patients.

The Pediatric Caregiver Workbook*

LLS created this resource full of tools, tips and encouragement for caregivers. Only caregivers can request a copy of this workbook.

Caregivers are encouraged to call one of our Information Specialists at **(800) 955-4572** with questions or to request any of these free pediatric resources.

Most of these materials are available in both English and Spanish.

* Visit www.LLS.org/FamilyWorkbook to download a PDF version of each chapter of *Caring for Kids and Adolescents with Blood Cancer*.

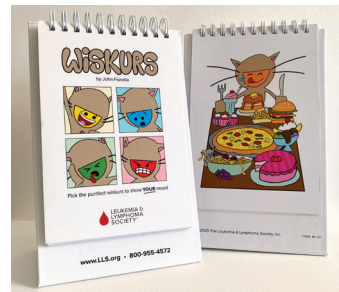

Additional Pediatric Resources Include:

Medi Teddy™ teddy bear that fits over IV and feeding tube bags to conceal the contents)

Dry erase/magnetic calendar

Wiskurs emotions flipbook

Stars Will Twinkle, *The Sun Will Shine*, a three book series about Olivia's leukemia diagnosis
